

FRAMELESS FABRIC LIGHT BOX DISPLAY SINGLE SIDED WALL MOUNTED FABRIC FRAME KS15 (NON-LIT)

DESCRIPTION

Frameless fabric face poster

- Simple, economical and eco-friendly display system that greatly enhances the visual impact of any graphics
- K15 slimline extrusion forms a 15mm deep poster frame
- Can be mounted in any locations, including retail wall space and trade show exhibition systems
- Only a 15mm (depth) section of aluminium extrusion is seen from the side
- From the front the poster display is completely frameless
- Image extends from edge to edge, covering 100% of the space used
- Can be used for frames up to 6000mm x 2000mm or even larger if screwed down to a solid backing
- Custom colours also available - get a quote

SPECIFICATIONS

- Can be used for frames from A4 up to 6000mm x 2000mm or even larger if screwed down to a solid backing or wall
- Extruded profiles are joined together with easily fitted screw corners
- Can be supplied in kit form
