

DESCRIPTION

OUTDOOR SOLAR DOUBLE SIDED 60CM LED LIGHTBOX (ROUND).

A sign for day & night. Crafted in a stylish round shape with a black powder coated frame, the lightbox sign features a robust weatherproof design. Solar panel for up to 5h of light (depending on sunlight) and is perfect for any business. The future has never looked so bright.

Our round lightbox comes complete with brackets ready to be fitted onto the wall or ceiling, then simply turn your remote on – no wiring necessary.

Fix to your wall and light it up.

Key Features:

- Remote on/off
