

## DESCRIPTION

### BEAUTIFULLY DESIGNED TO DISPLAY ADVERTISING POSTERS OR LITERATURE

- Designed to display advertising posters or literature
- Can be fitted with a combination of double-sided EASY LOADER snap frames, SlimLock key lockable frames or notice boards, edge-lit light boxes, brochure holders, product display shelves and Pro-Motion LCD advertising players
- Frames normally take a poster measuring 700x1000mm in portrait fashion but can be made to any size if quantities are sufficient
- Unit can be fully customised to suite your specific requirements
- Australian made
- Custom colours are available

## SPECIFICATIONS

- 18mm thick, 42mm wide frame (standard version)
- Base: made from 25mm pre-finished board, normally in a "beach wood" grain but can be any colour if quantity is sufficient
- Fitted with 4 normal castors and 2 lockable castors
- A 5mm thick powder coated steel plate can be screwed to the under side of the base for added stability
- Filler Panel: made from 25mm pre-finished board same as the base.
- Size can be varied
- Can be fitted with a smaller snap frame, acrylic poster holders, acrylic brochure holders, product holders or other items as required
- The filler panel can be left out if not required.
- Uprights: 60x60mm natural anodised or powder coated aluminium poles with 4 screw flutes per pole
- Pole: has 4 grooves (flutes) used for mounting chosen poster, brochure holders etc.
- Ends: capped with a rounded plastic chromed cap or a flat end cap
- Full customisation available
